### **CO-CURRICULAR ACTIVITIES**

“The quality of school life is determined by its activities”

Our school truly believes that physical as well as mental activities play a vital role in building a bright future for the children. There are a plethora of co-curricular activities that are held in our school like art competitions, music competitions, interactive club,sports etc. Many students have participated in various competitions and brought laurels for our school.

### **CLUB ACTIVITIES**

Clubs Activities of the year 2021 - 2022 like the Literary Club, Eco Club, Art and Craft Club, Cookery Club and the Quiz Club were held online and offline with the same vigor and passion it had during the past years. The Club Activities were held once a week hosting one club per week and proved to be more situation oriented and useful as they were learning from their home base and were able to experience activities which are part of their everyday life.

### **CELEBRATIONS**

The International Yoga Day , World Earth Day, Independence Day, Onam, Teachers Day, Children’s Day, Pongal and Republic Day Programs were organized through Virtual Mode to keep the students cherishing the festivals and social celebrations.

As the Pandemic was still taking its toll, students could not be segregated into the different School-based houses, the competitions were open to all who wanted to participate. The Google classroom was opened for the new set of students along with all the teachers were invited to participate and judge the activities by sharing the link.

The best works were awarded an 'E-certificate Of Appreciation' to motivate the budding creators and it was amazing as we had quite a lot of winners who gave a neck to neck tough to their fellow participants .

Though holidays, examinations, Internet failure and network connectivity acted as hurdles for the students to participate in the online competition but the little spark of fun kept them going.
